THEY LOOK, THEY TALK, THEY FOLLOW.
THE BEST COLLECTION OF SAREES IS HERE

42203

Keerliya

*Simple,
subtle,
spectacular*

that's what sums up this amazing saree.
Crafted from tradition fabrics like silk,
cotton-silk and linen, along with newer
influences, its highlight is the
beautiful sequined border.

Its a new era in fashion - there are no rules. Its all about the individual and personal style, wearing high end, low end, classic labels all together.
