A woman who is not merely beauty obsessed, but her  
face and personality are what your heart loves.  
A woman who is beautiful, not just to  
herself but every other girl.

Faience is part of the daily air and it changes all the time,  
with all the moods. You can even see the approaching of  
a revolution in clothes. You can see and feel  
everything in clothes.

*A beautiful woman is a woman who has the heart of a woman who smiles  
all the time and never cares about what others think.  
A woman who is dying inside but is strong enough to  
let go of the pain and create a happy atmosphere for everyone*

A beautiful woman, her love just fits with you. She shares your deepest  
personal views and understands you. When you talk to her,  
you feel like she's miles ahead of you.

Sampann <sup>nx</sup>

Precious to the eye, and more so, often we are in awe of a beautiful  
experience or landscape because it holds  
a little out of reach and hard to possess

11004

A beautiful woman when you look at her face and that of her soul.  
When you look at her eyes and feel her love for you.  
When you feel her attractiveness because  
of her gentleness and other virtues.

Everything about her is mesmerizing. Her smile and laugh can stop  
you dead in your tracks, and her eyes seem to light up the  
world when they smile. Everything about her radiates perfection.  
She has the ability to make anyone forget how to breathe.  
She may seem ethereal, serene, headstrong, inability to think,  
wastefulness of justice/love- making it  
hard to stand up straight near her

Beauty is something that few understand and fewer possess.  
You can do more than see it, it is felt within you.  
It is the expression of your soul in the light.  
When you see something you feel truly beautiful it is like  
the feeling of being in love, irresistible, strong, and pure.

Indisputably pleasing, but not necessarily visually attractive.  
Unconventional beauty is something that you can't fully understand,  
but you still think that person is wonderful.  
"Being hot does not make a person beautiful."

# Sampann <sup>nx</sup>

Something that the human eye can forget. Beautiful in often used synonymously with best or easy.  
This is not the case. No body fat and ultimately large breast does to make a girl beautiful.  
Beauty is a pure, non-meant thing. It comes from the right combination of personality,  
confidence, and (of course) physical attraction.

Someone with an amazingly gorgeous external appearance,  
with a heart of gold, sweet as can be, forgiving nature, whose eyes sparkle,  
and whose smile lights up a room,  
something that leaves you in awe and wonder
