

# AREAS

Candidates for the editorial internship program should have a strong interest in the written word. Strong research skills, resourcefulness and persistence are essential. Editorial interns deal with mail, faxes and couriers, help process invoices, fact check copy and assist with research and proofreading. They may have the opportunity to write small pieces for the magazine if they show interest and ability. Journalism school graduates and students with a humanities background are encouraged to apply.

there is *beauty*

"I think there is beauty in everything. what 'norma' people would perceive as ugly, I can usually see something of beauty in it."
