*Beauty is what your mirror of yourself sees from old,  
how you dress, how much makeup you wear. It's how you  
present yourself. The best part of beauty is the  
part the mirror can't reflect.*

*Beauty is how you feel inside, & it reflects in your eyes.  
It is not something physical. Being different  
makes me beautiful.*

*True Beauty is not outer appearance, it's located in the heart. It will, right? And in our eyes Beauty is what people see inside you but on you.*

*There is a beauty about a woman whose confidence comes from experience; who knows she can fall, pick herself up, & move on. Beauty is not having the good skin or good face. It about having the purest heart.*

*there is a beauty about a woman whose confidence comes from experience, who knows she can face, pick herself up & move on. Personality always way brighter than beauty.*

*Beauty is not just about physical appearance  
but how you see yourself & how you let  
others see you. you must look deeper  
to actually see true beauty.*
