### Beauty is deep

Beauty is just like a mountain. You will never know what's inside.  
On the surface, it can be full with green plants.  
How about inside? Is it a hole or what? So, beauty is just like a mountain.  
The appearance is very beautiful and graceful.  
How about inside? Is it black-hearted?  
Beauty is not just about the surface, it is also inside the depths of the heart.

Beauty and femininity are ageless and can't be contrived,  
and glamour, although the manufacturers won't like this,  
cannot be manufactured. Not real glamour : it's based on  
femininity.

Glamour isn't about age, shape or size. You don't have to be pretty to have it, anyone can  
create it.  
Glamour never takes a day off.  
Glamour is back but with a minimalist touch.  
You can totally do this.  
Come quickly, I am tasting the stars.  
You can do anything but not everything.  
Romance is the glamour which turns the dust of everyday life into a golden haze.  
For every two minutes of glamour, there are eight hours of hard work.  
In a world full of trends I want to remain a classic.  
Every designer needs a story. Mine is all about glamour.

### The Beauty

Back in the interiors of the crosswalks The succession of the blissful scenes  
On the walls of the word beautiful stood an angel in the form of flesh her smile as lovely  
as the fall in autumn  
Her eyes glimmer in the colors of gold

Your cuteness knows no bounds, your beauty has no limit, you are the only woman in the world, to which I will commit. I  
look at you and gasp in awe, wondering how you're mine, you take my breath away my dear, for you, I'll walk the line.

### Look harder

She has a beauty within, The kind where she knows where she's going and where she has been, She knows just who she is and wants to be. She has the kind of beauty a lot of people can't see, You can only see it if you get close enough to look. **EXTRA DEEP** like nothing else.

# Letting Go with Grace

There's a peculiar kind of beauty that can only be experienced with the true knowledge that the moment is fleeting and the most intense beauty can only be seen in the presence of both light and shadows. For it's often in the loss of a thing that its worth to us becomes most precious and by letting it go with grace we can best savor its purest delights. Realizing that the pain runs so deep only because the beauty ran so deep and that without it having once touched us we wouldn't now know the emptiness of its loss, our grief will eventually burn so thoroughly that it never touched us at all.
