Real style is never right
or wrong its a matter
of being yourself on purpose..

Fashion should be stylish & fun.
I still appreciate individuality
style is much more
interesting than fashion really.

af

In love fashion & there is no easier way to
express yourself than through the clothes
you wear The difference between style &
fashion is quality.

I appreciate simplicity, true beauty
that lasts over time, and a little
with an eclecticism
that makes life more fun.
