What's the meaning

shabby chic??

Literally the word "shabby" means old and very nice! This word was popularized in a magazine in the 80s by interior design designer Rachel Ashwell. She named her style Shabby Chic.

But in reality, the word "shabby" was used in interior design magazines when the name name: Shabby Chic.

Many people think that the word "shabby" has European origins but it actually came from the English language.

Shabby decor is a style that originated in France at the end of the 19th century.

The Shabby decor style is characterized by its use of faded colors and distressed finishes.

at colors I forgot-
