

Sarara House

Vol-2

SIZE.: S, M, L, XL, XXL, 3XL, 4XL, 5XL

Dazzling

*It is a collection inspired by the
Belle Époque. It evokes the splendour
of the late 19th and early 20th century
and does more than to both the
shining spirit of woman's liberation
in 19th-century France and the
desire today to dress for oneself.
It is a collection that is a little bit
of the past, but not too far from
today's fashion.*

POONAM
TEXTILES

This collection inspired by the 10th League, Poonam Textiles' vision for spring 2020 had a surprising element to say about the here and now. Big sleeves and short skirts spoke to both the shifting gears of women's liberation in 20th century fashion and the choice today to dress for comfort. We'd step lightly in a Louis Vuitton ballad dress, bag and shoes, select Louis Vuitton shoes.

Beauty Reasons

For a collection inspired by the Delhi Empire, Poonam's collection for spring 2002 had a surprising element to say about the here and now. Big sleeves and short skirts spoke to both the softening spirit of women's liberation in 18th-century France and the desire today to dress for oneself. Model steps lightly in a Louis XV-style ballad dress, bag and shoes, since Louis XV's shoes.
