GOLDEN THRONE

Some say all that glitters is not gold. That truth is
dramatic when they mean it your desire comes. They
wonder that what you're wearing is more precious than
gold, and makes you look like a true goddess. The

GLASSY

As they pass the mirror, they're struck by their likeness
Not knowing it is they who are being looked upon
They are looking at themselves, they are looking at their
beauty, their own beauty. They are looking at the beauty
within, their own inner beauty.

RICHES

There lived a king who thought he had all the riches of the land. His father had very clever servants he trusted as gemstones within, concealing a golden coin. Till then, he never had riches which could come to him.
