A picture of you brings comfort. A sight of you brings bliss. A memory of you brings bliss. Your sari and you are worthy companions, united in alleviating the pain and the sorrow of the world. In the sorrow and the misery which besets us, from your serene grace, love is born and from your gaze, smiles, across the world. There is talk, there are whispers. There are debates. And they're all about you. Sitting together they wonder about the mystique and the charms which surrounds you. As you strut magnificently in your breathtaking sari. What could be the secret that you possess, which the remaining world is not privy to? Well, let's tell them. It's our little secret, shall we?
