### Valley of Flowers

Peach and purple hues can instantly up your game! Bring into life this surreal 'flash of time'. An impeccable ensemble with an embroidered top, necks is our take of busy fashion. Effortless style, anyone?

Ruee Gold

### Graphic Mania

The season's latest craze, geometric embroidery, is here. The multi-color patchwork is minimally done on the front and sleeves. The motif adds grace and let you make a statement!

### Colour Craze

Dare to wear a single solid colour, the latest trend in the fashion circuit. Crisp, fine lines of embroidery goes on the main body of the attire, and print on the rest. Take cues from global fashion websites!

### Touch me not!

Simple yet chic, colourful florals overpower this look. We've given the season's best print with a few delicate notes from head to toe. The off-colour with blooms lends a feminine touch. Need we say more?

### Quick Glory

Take inspiration from the botanical world.  
A Mughal style of embroidery rocks this ensemble.  
Parrot green and sunny yellow are the highlights. It's time to shine, girls!
