Against the golden dreamscape of Rajasthan, she blends in like she was always meant to. Her attire is the colour of sand- an alloy of culture and untold history. Every step she takes is a story, whispered from bystander to bystander...about a lady sublime.

*Thousands
glad to be
part of you
after years of
experience
the others of
the world
But while
glancing
the many
night as
offer they
sometimes
the and
stars. That
is when they
gaze at her!
And then
they forget
about the day
of the land
and gaze in
astonishment
upon her.
And if ever
they see her
again the
world is
made.*

Some say that every night, she enters a doorway which takes her to another world- one where beauty still reigns supreme.
