Saree is the sexiest garment ever. It shows you the right amount, it covers the right amount.
It's extremely versatile, it suits every body type, it suits every face.

Everyone drapes a saree slightly differently and everyone's body looks different in it. But women in sarees are like snowflakes. Unique yet beautiful in their own way. I love it when a girl's saree is made of grace, her jewelry is made of confidence and her heels are made of inner-strength.

A saree makes me feel the way no other garment can: a strange mix of a sex symbol and a pious goddess.
Love is when he kneels down to help you make perfect pleats for your saree.
