INDIA

2010

The image features a woman sitting on a wide set of stone steps that lead up to an ornate, arched entrance of a palace or fort. The woman is wearing a long, flowing pink and white outfit with intricate white embroidery and a matching dupatta. She is also wearing a white floral headpiece and jewelry. The background shows the warm, terracotta-colored walls of the building and a clear blue sky. The overall scene is set in a historical or cultural location.
