COOL BEAUTY

I feel like life is really short, and it's important to enjoy yourself and embrace whatever comes your way, whether it's a challenging day or a great day, just welcome it with open arms. No matter who you are, you can't escape challenges; they are part of life

THE ART OF FASHION

The fashion world is much more ephemeral than the film industry and moves at a faster pace, and it's got even more frenetic since the Nineties; more paparazzi hanging about and it seems to me there are even more fashion magazines
