SARIES & BEYOND...

Beautiful

I'm going to be a fashion icon in a minute.
I'm not going to do it in a corny manner.
I have a voice that speaks for a whole
other market, not just black people,
but high fashion urban people.
I mix street wear with high fashion.
It's never been seen before.

Innocence Beauty

There is something about the innocence of
a young girl that is so beautiful. It is a
quality that is rare and precious. It is a
quality that is often lost as we grow
older. It is a quality that is worth
treasuring and cherishing.
