A woman with long dark hair, wearing a maroon long-sleeved dress with intricate white and gold embroidery, stands in a room. She is also wearing a gold headpiece, large earrings, and a gold ring. A light-colored shawl with a dark border is draped over her shoulders. The room features a large crystal chandelier, a white stone elephant-shaped vase with pink flowers, and a window with a white lattice pattern. The entire scene is framed by a gold border with floral patterns.
