*Life is full of beauty. Notice it.  
Notice the humble bee, the small  
child, and the smiling faces.  
Smell the rain, and feel the wind.  
Live your life to the fullest  
potential, and fight for your dreams.*

*Beauty is only  
skin deep. If you go after someone  
just because she's beautiful  
but don't have anything to talk about,  
it's going to get boring fast.  
You want to look beyond the  
surface and see if you can have  
fun as if you have something in  
common with this person.*

EVER FRESH CREATION

*The beauty of a woman is not in a facial mode but the true beauty in a woman is reflected in her soul.  
It is the caring that she lovingly gives the passion that she shows. The beauty of a woman grows with the passing years.*

EVER FRESH CREATION

*The more often we see the things around us  
even the beautiful and wonderful things  
the more they become invisible to us.  
That is why we often take for granted the  
beauty of this world, the flowers,  
the trees, the birds, the clouds  
even those we love. Because we see things so  
often, we see them less and less.*

*I do not have much patience with a thing of beauty that must be explained to be understood. If it does need additional interpretation by someone other than the creator, then I question whether it has fulfilled its purpose.*
