They surround
her and look
upon her in awe,
as if she's not
mortal but a mir-
acle. Her tresses
enchant and her
dresses enamor.
And they sing
her song, so that
the ages to come
too will sing of
her beauty.

tinted DREAMS

Till brave and courageous travelers braved the never-ending desert and saw her, clad in a resplendent salwar of divine making, surrounded by her loyal servants, they had assumed her just a legend. They went back home, with fondness in their hearts and stories on their lips.

And so they sing the strains of her beauty in the words of an ancient race. It paints a picture of her wit, her splendor, her wonder and above all, her lovely garments. All those who listen to it discover bliss like never before.
