A collage on the right side of the advertisement. It features three images of the same woman in different poses, all wearing the same red and gold patterned dress. To the right of the images is the brand's logo, "Virat CREATION", with "Virat" in purple and "CREATION" in smaller red letters next to a stylized pink flower icon. Below the logo is the word "FLATTERING!!" in large, bold, serif capital letters. Underneath that is a quote: "Show styling red never goes out of style. As the colour of love and mischief it remains the quintessential shade of femininity" followed by the year "2001".
