## *Dazzling patterns*

Some say they are not patterns. They're messages from a time when the world was younger and more beautiful.

# *The glowing damsels*

They hail from a world where all is heavenly. They belong to an age which was truly golden. Whatever the world had lost is contained in their bosoms and in their smile, which shines with the purest gold. They were carved from desire, and so too their dresses...which are a source of great envy to all those who don't possess them.
