Bold new vision fashion to reword

The beauty of a woman is not in a facial
mode but the true beauty
is a woman's attitude in her soul
It is the caring that she shows the beauty
of a woman grows with passing years.

elegance of the yesteryears

Always to be

e x c l u s i v e

A Woman's kurti should be a
like a barbed-wire fence;
serving its purpose without
obstructing the view
