## STRONG SENSES

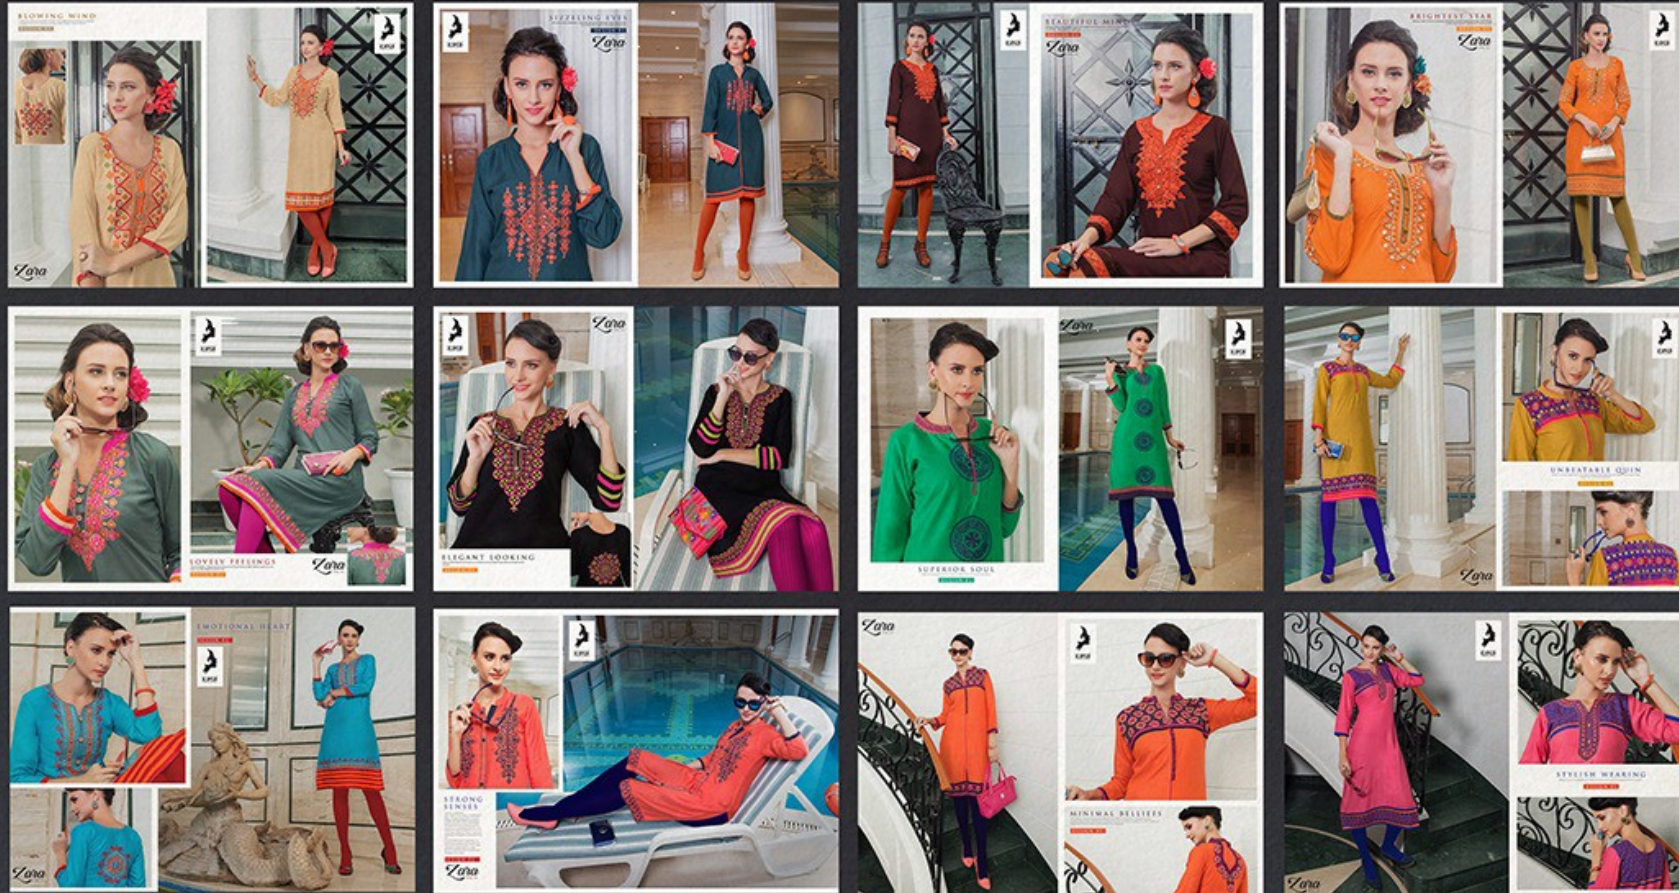

"You look... amazing!"  
 And I have to say, I agree. I'm wearing all black - not expensive black, the kind of cheap, soft black that you get at a cheap store. I've done it before. I know, the highest of Jimmy Choo, a pair of stunning black leather earrings. And please don't ask how much it all cost, because that's irrelevant. This is investment shopping, the biggest investment of my life.  
 I haven't worn anything all day so the suit and then and for once my hair has fallen perfectly into shape. I look... well, I've never looked better in my life. But of course, looks are only part of the package, aren't they?"

Fashion is not an investment. If you wear a dress and don't get many compliments, you won't wear it again. It's not like buying bonds.

# BLOWING WIND

Confidence is the only real fashion crime. To not dress like yourself and to subordinate your spirit to some kind of group identity is succumbing to fashion fascism.
