Fashion is not something that exists in dresses only, fashion is in the sky,  
in the nature; fashion has to do with ideas,  
the way we live, what is happening around.

Inspired from the elements of nature;  
HANSHA's latest SNEH issue is beyond elegance.

Intricate craftsmanship and detailing  
embraces class, which is the essence of Indian women.

Presenting the sarce collection for the festive moods from

SNEH by HANSHA
