The beauty of a woman is seen in her eyes, because that is the doorway to her heart, the place where love resides. The secret of a woman is contained in her smile. It is the entry to her soul, the way to her heart. The secret of a man is in his shoulders, a woman only glances with passing eyes.

The beauty of a woman is not in the clothes she wears,  
the figure that she carries, or the way she walks but  
in the beauty of her mind, in her eyes, because  
that is the doorway to her heart, the place where  
love resides. The beauty of a woman is not what she sees  
it's the caring that she brings, gives,  
the passion that she shows & the beautiful a  
woman only grows with passing years."

CREATIVE CULTURE

The hardest thing in fashion is not to be known for a, but to be known for silhouette. Fashion is what you about when you don't know who you are.

It's the caring that she lovingly gives, the passion that she shows & the beauty of a woman only grows with passing years."

something which narrow  
souls cannot dare to admire.  
Real beauty is to be true to oneself.
