A woman with long dark hair is shown in profile, looking towards the left. She is wearing a dark blue saree with a wide, ornate border and large floral motifs in gold and blue. She is also wearing a gold necklace, large gold earrings, and several bangles on her right wrist. Her hands are clasped in front of her. To her left is a tall, dark wooden screen with intricate carvings. A bright light source is visible through the screen, creating a lens flare effect. The background is a warm, textured brown.
