DESIGNER PASHMINA VELVET DUPATTA COLLECTION

*Beauty is what you make of yourself, not how old,  
how you dress, how much makeup you wear. It's how you  
present yourself. The best part of beauty is the  
part the mirror can't reflect.*

*There is a beauty about a woman whose confidence comes from experience; who knows she can fall, pick herself up & move on. Beauty is not having the good skin or good face. It's about having the purest heart.*

*The Beauty is not outer appearance, it's located in the heart. It won't reflect in our eyes. Beauty is what people see inside you but not on you.*

*Beauty is how you feel inside, & it reflects in your eyes.  
It is not something physical. Being different  
makes me beautiful.*

## THE ESSENCE ROYALTY

Fashion is not something that exists in dress only.  
fashion is in the sky, in the street, fashion has  
to do with ideas the way we live, what is happening.

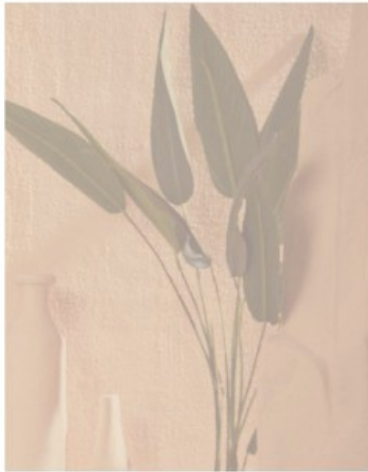

*There is a beauty about a woman whose confidence comes from experience, who knows she can have, pick herself up & move on. Personality shows way brighter than beauty.*

but how you see yourself & how you let
