

VISCOSE PATTA

*"Mighty as the wind, O my girl, make your hair as many curls as the waves. Wash your face in milk or roses, my Capricious ones. Behave. They would be as the stars."*

*"Maybe it's his smile Or maybe it's his encouraging clothes. What transforms her into a woman they Consider to be a star? It's something in her eyes!"*

*"The style of the world is caught just outside the doorway of the East. The East is the source of the style of the world."*
