

# FEATHERED FAIRY

*I am reminded of a piece of advice my father gave me regarding shoes... He said it is better to buy one good pair of shoes than four cheap ones, one pair made of fine leather could outlast four inferior pairs and, if well-cared-for, would continue to protect your good equipment and last no matter how old they become.*

ETERNAL  
MAGIC

*Fashion is the abstruse issue of vain ostentation and exclusive egotism... and to no robe, and bound to conform to every whim of the minute wearing the finest attire is good only as they source the want of other means of obtaining deference.*

Conformity is the only real fashion crime. To not dress like yourself and to submerge your spirit to some kind of group identity is acceding to fashion fascism.

STYLISH WEARING

*fashion is not something that exists in dress  
or only, fashion is in the sky, in this street,  
fashion has to do with ideas the way we live,  
what is happening.*
