BRIGHTENING  
THE NIGHT SKY

*Those who've held her have known the concept  
of 'night'. As for them, twilight is bright with her features  
for colors smiling in the cool desert breeze. She depicts  
darkness in the mind and heart with every move she  
makes.*

*They have tread along the path of no return and caught in web  
enmeshment in his presence. And as they stand, feet and feet  
and with no destination in sight, their halcyon world, that too, in  
her true glory. And in her beauty, they discover salvation.*
