Twin's fashion

A girl should be two things: classy and fabulous. You decide what you are, what you want to express by the way you dress and the way you live. "Style is a way to say who you are without having to speak." The most important thing to remember is that you can wear all the greatest clothes, but you've got to have a good spirit on the inside. That's what's really going to make you look like you're ready to rock the world.
