Since love grows within you, so beauty grows. For love is the beauty of the soul  
Inner beauty should be the most important part of improving one's self.

The beauty of a woman must be seen from in  
her eyes, because that is the doorway  
to her heart, the place where  
love resides

## Elegant look

Real beauty is to be true to oneself. That's what makes me feel good.  
Beauty is the first present nature gives to women and the first it takes away.
