

TEXTILE DEAL

*Vintage* I have a collection of impractical vintage dresses and jackets.  
I guess I never grew out of the 'playing dress up' faze. It's actually a bit of a problem.

A recipe is not an exact formula, but it does need a certain structure.  
When the bones are right, you can dress it in many ways.

The thing I regret most about my life are those inane photos of me with icons.  
They used to come down here and dress me up, and I just tolerated it. It's my fault.  
But I shouldn't have done it. They literally brought down costumes,  
candles, and icons! It was unbelievable stupidity.
