Fashion Trends

In the 21st century the style trends of the fashion industry dominate the world more than they ever did and control not only the way people dress but also trends in how we live, work, fashion and people's overall attitudes. In the 19th flower power did not only mean flowers and trees, it summed up the whole attitude of a generation, and this is even more prominent today. Ultimately, fashion is built and changing, and this reflects a new generation that is not afraid to say what they think, or wear what they want. Fashion is not just a means of clothing your body, it is the essence of your personality and beliefs, and designers are well aware of the power they hold. (Designers' predictions and hopes for the coming season are more boldly anticipated than in 1970) when revolution
