The image is a fashion advertisement. On the left, a woman in a red, long-sleeved, knee-length dress with a lace-up front and a matching red woven handbag stands next to a black motorcycle. She is wearing red sunglasses and red high-heeled sandals. The background is a blurred outdoor setting with a blue and green sky. Text in the top left corner reads 'THE NEW 'style' is a way to say WHO YOU ARE..... Khusi 1001'. In the top right corner, there is a logo for 'Kersom' with 'SACHIN K' above it. At the bottom left, a blue banner contains the text 'TEXTILE DEAL'.

*The new*  
**fashion era**

God a rule. I No.  
 Because it's not. But  
 are no rules in styling.  
 ask yourself when was  
 the last time you let yourself dress without matching  
 over which creed artificial  
 styling. But everyone is natural in styling by it once you'll  
 find that your natural look is  
 is a way for better styling can  
 ever provide.
