MIRACLE

When the greatest vision of the heart
is met with the world, being done,
they are surrounded by their unrequited
dreams. Many people even read and
write and intend the world to reach
beyond dreams to fulfill their fantasies.
There are the great dreams that they
could imagine the power of the past!

Songs of
DIVINITY

They appeared for real look
when for us were out of style
and wanted but in search. The
woman smiled and her dream
was over. And they were far
away, so that the sun to raise
but will stay of her beauty.

BEAUTY

When the greatest artists of the land
would stain the walls, they chose
the grey, ornamented by their respectful
silence. Many quills were cast out
and scattered the world to create
magical garments to drape these bodies.
There were the finest threads that they
could require, the finest of the finest.
