Write  
your story

The customer is the writer. What she wears  
in her wardrobe speaks to who she is and how she  
can be seen in the world. She can be seen in the world  
in the way she wears it.

Stroke  
off the life.

The pattern is that that after, what seems  
the right choice is what would wear. It  
is a message in many cultures that we  
is to be a daily message.

Truth  
be told.

The customer is the final filter. What survives  
the whole process is what people wear. I'm  
not interested in making clothes that end up  
in some obscure museum.
