## GLAMOURES BEAUTY

If you look back in history of the women who are most memorable and most stylish, they were never the followers of fashion. They were the ones who were unique in their style, breakers of the rules. They were authentic, genuine, original. They were not following the trends.

## THE ART OF GLOSS

To seek understanding before taking action,  
yet to trust my instincts when action is called for.  
Never to avoid danger from fear, never to seek out  
danger for its own sake. Never to conform to fashion  
from fear of eccentricity, never to be eccentric from  
fear of conformity.
