# Natural magic

One look at you, and the world is blinded. By look, by charm, by desire, by a hope against hope to call you their own. And as they yearn for you they discover that the gaze they see around you, shines from within you and is mirrored within by the words you hear. You are the Goddess of brightness, the one who sparkles deeper than the stars.

*Fashion forward*

As you breathe, you transform the atmosphere of the world that surrounds you. And all that is withered, all that is lifeless, all that is gone, disappears in an instant. In your wake, life rears its head again and spreads its arms. Little wonder then, that your hair reflects vitality, vigor and vivaciousness...the three main components of life.
