*Fashion is not necessarily about labels. It's not about brands. It's
about something else that comes from within you*

Fashion is not something that exists in dresses only.
Fashion is in the sky, in the street. Fashion has to do with ideas,
the way we live, what is happening.

Over the years I have learned that what is important in a dress is
the woman who is wearing it

You can wear black at any time. You can wear it at any age.
You may wear it for almost any occasion

*Fashion is not something that exists in dresses only.

*My fashion is about the urban woman in the year. I think about obscure,
 weird things and try to create a world around them*
