Dazzling patterns

Some say they are not patterns. They're messages from a time when the world was a place of mystery and wonder. They were carried into the exquisite garments of these classic maidens, for only they can bring about this age again with their grace and style.

A reflection of purity

If grace was weighed in gold, theirs would be priceless. As they realize their own value, they smile from their innermost core. And that enhances their beauty a thousandfold. All those who behold these nymphs in their splendor, clad in immaculate salwars bow their heads in reverence.
