*Love is the
Sweetest
Language*

The beauty of a woman is not in a facial mode but the true beauty in a woman is reflected in her soul. It is the caring that she kindly gives, the passion that Beauty shows. The beauty of a woman grows with the passing years. Beauty is power; a smile is its sword. The beauty of a woman must be seen from in her eyes because that is the doorway to her heart, the place where love resides. Real beauty is to be true to oneself. That's what makes me feel good. The best part of beauty is that which no pictures can express. Since love grows within you, so beauty grows. For love is the beauty of the soul. Inner beauty should be the most important part of improving one's self. Beauty awakens the soul to act. I don't think of all the misery but of the beauty that still remains. Experience is beauty. Beauty is in the heart of the simplest. Beauty is a manifestation of secret natural laws, which everyone would have been hidden from us forever. People are like stained glass windows. They sparkle and shine when the sun is out, but when the darkness sets in their true beauty is revealed only if there is a light from within. appreciate simplicity, true beauty that lasts over time, and a little wit and eccentricism that make life more fun. There is in fashionable beauty, as in cinema, something which narrow souls cannot dare to admire. Real beauty is to be true to oneself.
