# FASHION iN SPEAKS

TEXTILE DEAL

ADAH  
Volume 97

Women think of all colors except the absence of color. I have said that black has it all. White too. Their beauty is absolute. It is the perfect harmony. Style is knowing who you are, what you want to say, and not giving a damn. I don't believe in fashion, I believe in costume. Life is too short to be same person every day.

A girl's got to use what she's given and I'm not going to make a guy drool the way a Britney video does. So I take it to extremes. I don't say I dress sexy on stage - what I do is so extreme. It's meant to make guys think. I don't know if this is sexy or just weird.
