TEXTILE DEAL

Style is a way to say "Who you are without having to speak."
Beautiful... it's not about looks, because as the years go by I will
continue to change... and age it's about what's inside... the fact that I'm caring
first, I always have. I love to listen to people, I love to help people. I'm genuine,
real and I am a great friend. True beauty is from within.
