## *Fashion Trends*

*In the century the style trends of the fashion industry dominate the world more than they ever did, and control not only the way people dress but also trends in home ware design, makeup fashion and people's overall attitudes. In the future power did not only mean finance and tactics, it covered up the whole attitude of a generation, and this is even more prominent today.*

### Divya Style

*"In the century the style trends of the fashion industry dominate the world more than they ever did, and control not only the way people dress but also stands in home work design, modern fashion and people's overall attitude. In the future power did not only mean force and money, it summed up the whole attitude of a generation, and this is even more prominent today."*
