ZAIRA
Dress To Impress

In this logo we have tried to create an identity of embroidered products. It clearly makes the identity of femininity. More over, females always love to see themselves in mirror hence a mirror effect in fonts. It is the hidden meaning of the logo. The mirror fonts also complements each other & gets nicely. Overall a complete logo with a freshness in it

Sunil bhagchandani (gurukripa fabrics) have served you in Textiles industry since 25 years and Thank you for your trust and support and now we are Launching our first catalogue brand "ZAIRA", we need your support and blessing, we promise to do our very best. we are looking forward to serve you in the following years
