### The Star

A mere glance at her, and the red carpet rolls out. Looking sensational in her dress, the paparazzi follows her asking her questions- about her allure, her charm and most importantly her dress. She greets them with a smile. The smile nothing...and yet everything. She is a star and the world is in love with her.

# The Masters

Many claim to understand fashion, but only a few understand style. And she settles for nothing but world-class fabrics at all times! No wonder then that only the greatest masters from the kingdom of style work on making her looking breathtaking. This is one such creation from one such master.

Sparkling  
*Finesse*

Once a great wise sage spoke of a sparkle, a glow which would consume the planet with its intensity. These maidens were born soon after, and from a very young age glowed brighter than the remaining universe. Today, their sparkle and that of their dazzling clothes have infected the universe with their inherent charm. The prophecy came true!
