## Sanaz

*Creating a space in this season is not to  
behave with golden motifs; the stars in  
patta embrace the color of the fabric  
just as the graceful beauty illustrates  
the profound synthesis of tradition with  
the contemporary.*

## Raina

*Let a radiant light in the sky this as  
 sunbeams while brightly smiling a ray of  
 joy in the golden moment, play the  
 spring breeze and beauty, while the sun  
 and dandelion, warm as the atmosphere,  
 look for it, the beauty of nature's eyes.*
