*In the 21st century the style trends of the fashion industry dominate the world more than they ever did, and control not only the way people dress but also trends in home ware design, making fashion and people's overall attitudes. In the 60's flower power did not only mean flowers and tunics, it summed up the whole attitude of a generation, and this is even more prominent today.*

*In the 21st century the style trends of the fashion industry dominate the world more than they ever did, and control not only the way people dress but also trends in home care design, makeup fashion and people's overall attitudes. In the 60's flower power did not only mean flowers and hairies, it summed up the whole attitude of a generation, and this is even more prominent today.*
