

*For the perfect look, wear it with a heavy necklace and earrings. You can also wear a large ring.*

*There's something about the way she looks at you, it's like she's looking at you from the inside.*

1006

*Soft like an owl eye, golden like a sun, and lush like a mountain. This is the color of the sun. A color that is complete with a touch of green.*

*No Matter What an embrace is, let her go when you feel your appearance, because you go, embrace, because you go.*
